FAST BILLING MEETS LEGENDARY RELIABILITY

Accelerate your billing and cut back on long queues with Epson's latest TM-T88VII thermal receipt printer. With fast print speeds and flexible connectivity options, the TM-T88VII is ideal for high-volume environments in hospitality, retail, grocery, banking and more. Low power consumption and an advanced paper-saving function¹ helps reduce your environmental impact. With Epson's TM Utility app, setting up an Epson bill printer is easy and the vertical mounting kit provides a range of flexible configurations.

High Performance

Fast print speeds of 500 mm/s² with high-speed auto-cutter for fast transactions.

Integrated Connectivity

The printer can be dynamically shared by PC-POS terminals, tablets, and mobile devices as well as cloud servers.

POS Peripheral Support

Supports POS peripherals including barcode scanners, payment terminals and customer displays.

¹Paper savings depend on the text and graphics printed on the receipt.

²Under standard test conditions.

SPECIFICATIONS
